- [TOP 25 CARIBBEAN HOTELS FOR SERVICE](#)
- [TOP 25 CARIBBEAN HOTELS FOR ROMANCE](#)

**TripAdvisor** collects and publishes millions of reviews and opinions from hotel guests around the world. Each year it announces the winners of its Traveler's Choice Awards recognizing those properties that consistently provide their guests with the very best value and service. What is unique about the Traveler's Choice Awards is that it measures the quality of the guest experience thus allowing small hotels like Yellow Bird to compete toe-to-toe with larger, better-funded properties.

"**Yellow Bird Hotel** is absolutely thrilled to have been named in three Caribbean categories, including Small Hotels, Romance and Service and owe this success to our amazing staff," exclaimed Geeta Chatrani, General Manager for the hotel. "Our team of 12 is our greatest asset and we truly appreciate their dedication and hard work to our wonderful guests and to our property. Our guest reviews frequently mention their smiling faces, friendliness and helpfulness, knowledge of our beautiful island and its attractions and much more."

Of all the thousands of hotels throughout the Caribbean, Yellow Bird is one of fewer than 100 that consistently maintains a TripAdvisor 5-Bubble rating. In addition to allowing guests to post reviews on its site, TripAdvisor allows them to rate properties on important qualities such as location, cleanliness, sleep quality, rooms, service, value and overall experience. Ratings run from one-to-five "Bubbles," the TripAdvisor equivalent of Stars.

"Yellow Bird has always prided itself on being a romantic getaway and has recently expanded offerings into Wedding, Vow Renewal and Honeymoon packages," added Ms. Chatrani. "Now that we are among the Top 25 Caribbean Hotels for Romance, I am confident we will be even more popular among our new and loyal guests."
